

Festa Frawli at St. Francis School Birkirkara

Since most students participated wholeheartedly in the Festa Frawli Art Competition, this year we will be organising the Festa Frawli at our school. It was also the Eko-Skola Committee's wish to organise such an activity which promotes healthy eating. This activity will be held on the 19th April. Each cup of strawberries costs €2. Students are to bring their own tea-spoon but the containers will be provided by the school. Kindly send your orders and money by **Friday 13th April, 2018.**

Thanks
