

Dear Parent/s Carer/s

26th September 2017

NEW SCHOOL SCHEME 2017-2018

The New School Scheme is a single scheme that provides for a new common framework for the Union aid for the supply of fruit and vegetables, bananas and for the supply of fresh milk to children in educational establishments. This scheme is to be financed by the European Union with additional funds topped up by the Government of Malta to cater for the anticipated forecast increase in supply for fruit and vegetables and most certainly for the increase of supply for fresh milk which through this scheme will be fully financed unlike the previous disbursement scheme set up for the supply of fresh milk, making this New Scheme more appealing for more participating schools to enrol in.

The official start of distribution of the weekly fruit, vegetable, bananas and milk portions to primary school children is expected to commence this year.

If you would like your child to participate in the Scheme, kindly fill in the form below and submit it to the Head of School. Personal information provided on your application form is protected, and used in accordance with the provisions of the Data Protection Act (Cap 440).

The New School Scheme is managed by the Agriculture and Rural Payments Agency of the Ministry for Environment, Sustainable Development and Climate change in collaboration with the Ministry for Education and Employment, and the Ministry for Health.

Thank you

Martin Farrugia
Senior Manager (Agriculture and Rural Payments Agency)
